Folks,

It's approaching the end of the Federal FY and we are in need once again of current info regarding MDE's general permits. You have been very helpful in the past at providing us with updates on the number of facilities covered by these permits. Please review the attached and provide to me by **Tuesday, September 30th**, any updates on permit issue and expiration dates as well as the number of facilities covered (authorizations). Thanks for your help.

Brian
